Division: Youth (ages 14 -17) Women (18 and over) Men (18 and older)

Ninja Competitions

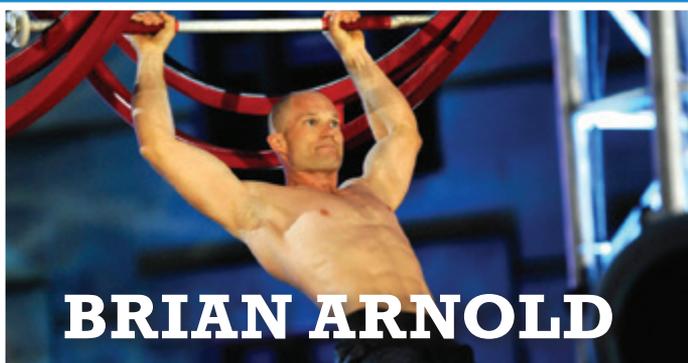

Side By Side Racing: This involves two competitors on the course at a time. Both competitors must start with both feet on the starting platform. When given the signal by the designated race initiator the competitor can go! Indirect contact is allowed. Cutting off the other competitor is allowed. No intentional pushing, hitting, or other act that may be deemed illegal by the head judge is allowed. Switching lanes during the race is allowed. Competitors must complete the obstacle course as designed. It is the competitor's responsibility to understand the course rules. If he/she does not understand the rules it is their responsibility to ask before the race. The competitor that reaches the finish button wins. If a competitor does not follow the rules head judge may disqualify a competitor or declare another race is needed to determine a winner. All head judge decisions are final. The fastest time determines your place in the competition. Times are recorded and a winner is determined after all runners have run or the allotted time for runs has expired. Details of event timing are determined by the even organizer. In the event there is a malfunction with the course or timer, a competitor's time may not be counted and be required to rerun the course.

Format

Tournament: A double elimination bracket system will be created and competitors will be placed randomly in the bracket. The competitor that reaches the finish button first, wins that match. The competitor that does not win their first match will be entered into the losers bracket and will not be eliminated from the competition until having two loses. At the end of the competition, the two remaining competitors will race each other for the title of JH Ninja Warrior Division Champion and the coveted JH Ninja Warrior Cup.

All contestants will be required to sign a waiver before participating in the JH Ninja Warrior event. If contestant is under 18, a parent or guardian will need to be present to also sign the waiver. Waivers can be signed in advance at the Fair Office, 305 W Snow King Ave, or prior to the start of the event on July 26, 2019. **Contestants will not be eligible to participate if a signed waiver is not on file with the Fair Office and Ninja Nation.**
